

Sharks Ice at San Jose GRETZKY HOUR KIDS AND ADULTS

February 5th 2012 – February 17th 2012

Gretzky improved his skills one way, he practiced everyday on an outdoor rink. Obviously, we do not have outdoor rinks in California but we have a solution. With no organized games, no coaches, Gretzky skated and stickhandled for hours experimenting and trying new things. This hour is designed for young players to just skate and work on any aspect of hockey he or she desires. And most importantly to have fun!

Each players are required to sign in before each session. Full USA Hockey Certified equipment required. No outside or private coaches allowed on the ice at anytime. Sharks Ice will provide one coach (afternoon and evening only) for supervision only. **Limit 40 skaters and 4 goalies.**

Program Fee: \$13 per session

SCHEDULE: Kids and Adults

Note: Players and Goalies have to pay \$13 per session.
