

HP High School Hockey League 2011-2012

General Information

Sharks Ice is proud to bring you the 12th season of the HP High School Hockey League, the premier high school ice hockey league in Northern California. We offer two separate divisions, a Junior Varsity and a Varsity division. Unlike traditional high school sports, where Junior Varsity and Varsity are decided by age, our divisions are grouped exclusively by skill level. The Junior Varsity division will be made up of recreational/in-house/lower end travel level players that will be separated into three subdivisions based on skill, with the most novice divisions being non-check. The Varsity division will be comprised of high end travel/tier level players. No matter of your skill level, we have a spot for you.

All players must be currently enrolled in high school in Northern California and must provide all of their own HECC approved equipment. Practices and games will take place at Sharks Ice at San Jose, Sharks Ice at Fremont and at the Oakland Ice Center. Most games will take place on weekends with an occasional game being played mid-week.
