

## **SIAHL ONLINE LEAGUE REGISTRATION INSTRUCTIONS FOR CAPTAINS REGISTERING TEAMS & PLAYERS MAKING A PAYMENT**

### **ALL NEW TEAMS MUST CONTACT THE LEAGUE DIRECTOR FOR APPROVAL BEFORE REGISTERING A NEW TEAM**

Find our League Online Payments & Team Registration here:

<https://apps.daysmartrecreation.com/dash/x/#/online/sharks/programs?>

To register a team, you will need to log-in or create an account and choose “register a team.” If you have previously Captained a team in the League then you can choose to re-register your team or create a new team. An initial deposit of \$50 is required to register a team. Once registered, the Captain invites players to join the team and assigns dues to each player based on full-time or part-time status. Dues should add up to the total cost of registering the team.

To see your team balance, simply log in to your Sharks Ice Daysmart account and click on “Manage Hockey” under your Team Name. This will open up a view of your team roster and amounts that are due for each player along with the team balance remaining. You must be the Captain who registered the team to view this page. If you need to add Assistant Captains or a Team Manager please email [dtait@sharksice.com](mailto:dtait@sharksice.com) and [mstace@sharksice.com](mailto:mstace@sharksice.com) to have them added to the team account.

### **PLAYERS MAKING A PAYMENT TO A TEAM**

If you have not yet been invited to a team and assigned dues, ask your Captain to invite you and let you know the amount to pay towards the team’s balance. If you are paying for multiple teams you may need to add them all to your cart before checking out.

### **EMPLOYEE DISCOUNTS**

SIAHL offers discounts for all employees of San Jose Sharks, LLC and its affiliates. Each code is unique to the team the employee plays on so, please email [dtait@sharksice.com](mailto:dtait@sharksice.com) with the name of the employee along with name(s) of the team(s) to receive your code(s).
